Dear Parents, Students and Faculty,

I can't remember when we had so many snow days in a single school year. Hopefully the weather will make a change for the warmer! In the meantime, **thank you for being so flexible!** In this newsletter, I will try to update you on changes that have occurred as a result of our snow days.

The good news is... we know that Spring is eventually going to come. In the meantime, we try to make decisions concerning whether to have school or not based on the safety of our students, both to and from school, as well as during the day going from building to building in extremely cold weather. Please pray for safety for all involved!

Also, we need your prayers for wisdom as we seek to educate your children for "Time & Eternity!"

This year's Juniors who are making early plans for the Senior Trip next fall to either Israel or another International destination, we plan to have a meeting to assess interest sometime next week. You may give your name to your Bible teacher, or to Dr. Lindsted or leave it in the business office and that way we'll make sure to include you in the upcoming meeting.
